

Grampians Region Climate Adaptation Strategy Adapt Grampians Grants Program 2021-2022

Expression of Interest Submission

This is a two-stage application process.

Stage 1

Initial Expression of Interest (EOI) submitted. Potential partnerships and project links are investigated and acted on where appropriate.

Stage 2

Successful Expression of Interest submissions will be invited to submit a detailed project grant application for inclusion in the Grampians Region Climate Adaptation Strategy- Yearly Delivery Plan 2021-2022. This is a competitive process.

Before you Begin

Please refer to the grant funding guidelines to assist you to complete your application. The guidelines are available on the adaptgrampians.com.au website.

Submitting and Application

The Expression of Interest may be submitted at any time between **Wednesday 7 April** and **Wednesday 5 May 2021 (5pm)**. It is recommended that you submit the EOI early rather than wait until the closing date. This will allow time for potential partnerships and project collaborations to be identified and established. This EOI form and supporting documents are to be emailed to engage.grampians@delwp.vic.gov.au.

Grampians Region Climate Adaptation Strategy- Draft

The Grampians Region Climate Adaptation Strategy (GRCAS) has been developed by community and business to provide an overview of current and future climate adaptation activities and priorities.

The GRCAS will be used to determine the priorities and investments of the Adapt Community Grants Program 2021-2022.

5 How does your project align with the goals of the Grampians Region Climate Adaptation Strategy- draft?

Tick all that apply.

<input type="checkbox"/>	Our Region responses to climate change are coordinated, resourced and evidence-based.
<input type="checkbox"/>	Our Region's biodiversity and natural ecosystems are protected and resilient.
<input type="checkbox"/>	The Grampians economy is sustainable and climate-ready.
<input type="checkbox"/>	Region farming is well-adapted to the changing climate.
<input type="checkbox"/>	Our built environment is more resistant to weather extremes.
<input type="checkbox"/>	Individuals and communities proactively reduce their climate-related risk.
<input type="checkbox"/>	Our vulnerable people are supported to adapt to climate change.

6 Target Group(s) Who will benefit?

7 Location

Where your project will take place.

8 Goals

What do you aim to achieve (100 words)?

9 Approach

How will you do it?

10 Anticipated outcomes

What will success look like?

11 Timeframe

Over what time period will your project take place? (to June 30 2022)

12 Project Budget

(total project cost).

13 Funding

Amount requested.
